

HOTEL MEETING ***

Stresa

The Meeting Hotel is in the centre of Stresa, in front of the Palacongressi (Conference Hall) and only 300 metres from the lake front.

The hotel has 29 en-suite rooms with shower and hair dryer, air conditioning, plasma satellite TV, telephone and Wi-Fi internet access. Almost every room has a very large balcony.

This recently renovated building has large and modern common areas, such as the TV room, the bar, a traditional-style inn and restaurant and a solarium terrace with a magnificent view of the lake and the surrounding mountains. It is the perfect venue for a business trip, a trip to relax or a holiday. Near the building is a large free parking area.

Every morning the guests can help themselves to a large intercontinental buffet breakfast. Dinner is served in the hotel's excellent restaurant. The chef's skills and the high quality of the ingredients make the dishes on the menu incredibly good.

The closeness of the Meeting Hotel to Stresa's Conference Hall - well-known in Italy and abroad - make this hotel ideal for businessmen and conference participants. It is, of course, perfect for holiday makers as well!

The quality of the service provided by the Meeting Hotel and the friendly, family welcome of its staff will make your stay in Lake Maggiore pleasant and unforgettable.
