Stresa

The Primavera Hotel is in the middle of the town's pedestrian area.

There are 34 en-suite rooms with shower and hair dryer, air conditioning, plasma satellite TV, telephone and Wi-Fi internet access.

Most of the hotel's rooms have small balconies overlooking the enchanting streets of the town's historical centre. Very near the hotel is the lakefront, the throbbing heart of the Borromean Gulf, with lots of villas, garden, cafes and restaurants.

Every morning, in the large breakfast hall full of light, guests can help themselves to a large intercontinental buffet breakfast. Dinner is served in the Meeting Restaurant, which is 200 metres from the hotel.

The hotel has a bar, lift and a garage, which is located 300 metres away.
